- Wills and Powers of Attorney
- Criminal Record Restriction
- Bankruptcy
- Protective Orders for Victims of Violence
- Name Changes

PARTICIPATE IN A CLINIC

Throughout the year, GLSP hosts a variety of legal clinics in collaboration with community partners, law schools, firms, and other organizations. These regional clinics cover a range of legal topics, including wills, record restriction, probate, and general legal advice.

Volunteers can choose to participate for part of the clinic or commit to the entire day, offering flexibility while making a meaningful impact in their communities. Whether you're a seasoned attorney, a law student, or a community advocate, your time and expertise help expand access to justice for those who need it most.
